

## ILLNESS POLICY

Thank you for providing a healthy atmosphere for all children by abiding by the guidelines below:

Please do not bring your children to Sunday School, or any other child related activity, if any of the following apply:

1. Has had a fever of 99.5° or greater in the past 24 hours (To see if your child is healthy enough to bring to church, their temperature should be taken when they have not been given medication.)
2. Has weeping sores, such as impetigo, chicken pox, or conjunctivitis (pink eye)
3. Has bronchitis
4. Has strep throat (A child with strep throat may participate in children's activities/programs after having been on antibiotics for at least 48 hours.)
5. Has a runny nose where mucus is colored or thick
6. Has had diarrhea in the past 24 hours
7. Has a rash that is questionable
8. Has vomited in the past 24 hours
9. Has any symptoms of Hand, Foot, and Mouth Disease
10. Has had lice, and perhaps has been treated, but there are still nits remaining in hair.

When in doubt, please keep your child at home.

Thank you for helping us to protect the health of all of our children!
